**Subject:** fyi- Wes Martel visit on Wed

I had a good meeting with Wes, Dean Goggles and Travis when I was up in Riverton last week. Wes mentioned that he is going to be in town and will stop in the office on Wed around 1:30 or 2. He is planning to do some Pavillion presentations (including one for the upcoming ROC), and I think in part is looking for assistance in putting those together. Let me know if you would like to visit with him or are already planning to do so.
